

KEVIN KHEMANANDO KAN

Computer Science

ORGANIZATION EXPERIENCE

**Dhamma & Social Division Officer(Pengurus),
Keluarga Mahasiswa Buddhis
Dhammavaddhana(KMBD)**
November 2024 - Now

**Kathina Puja 2568 B.E./2024
Dayaka Volunteer**

- Assisted in organizing the Kathina Puja ceremony by coordinating the movements of the bhante and discreetly signaling sermon (khotbah) timing to ensure a smooth and respectful flow of the event. Played a key supporting role in maintaining the schedule and atmosphere of the religious proceedings.

**Fangshen 2024
Event Division**

- Served in the Event Division for a fangshen event ceremony, responsible for surveying and selecting appropriate animals in accordance with ethical and religious guidelines. Ensured the smooth execution of the event by coordinating logistics and maintaining adherence to Buddhist principles.

**Samsung Innovation Campus
Batch 6 2024/2025**

- Successfully passed the initial Logic Test and advanced to complete Stage 1 of the program, focusing on the fundamentals and practical applications of Artificial Intelligence

ABOUT ME

I am a computer science student at Bina Nusantara University with a strong interest in technology and software development. Over the past few semesters, I've built a solid foundation in programming especially in Java and Python and have gained hands on experience with web development tools like HTML, CSS and a some JavaScript.

With a strong desire to learn and grow, I am seeking internship opportunities that will allow me to apply my knowledge in real world projects, contributing to impactful solutions, and continue developing as a future technology professional.

STRENGTHS

- Java
- Python
- HTML & CSS
- SQL
- JavaScript
- C

OTHER STRENGTHS

- Axure RP
- Teamwork
- Communication
- Mandarin

EDUCATION

Narada Senior High School,
Bina Nusantara University
Bachelor of Science in Computer Science
Cumulative GPA: 3.16
Expected Graduation: 2027

Relevant Coursework: Data Structures, Calculus, Software Engineering, Object Oriented Programming, Database Technology, Game Programming, User Experience, Software Engineering,

KEVIN KHEMANANDO KAN

Computer Science Student

Detail-oriented student with **strong programming skills** and a passion for innovative technology solutions.

WORK EXPERIENCE

Intern Developer

Tech Innovations Inc.

June 2022 - Present

- Collaborated on software development projects \n - Assisted in coding and debugging applications

Junior Programmer

CodeCraft Solutions

January 2021 - May 2022

- Developed website features \n - Participated in team meetings and project planning
-

EDUCATION

State University

Bachelor of Science in
Computer Science

Expected Graduation: 2024

- Dean's List for Academic Excellence \n - Completed multiple coding competitions

Central High School

High School Graduate

Class of 2020

- Student Council Member \n - Organized technology workshops for fellow students

[FULL NAME HERE]

Computer Science Student

ACHIEVEMENTS

Achieved **top grades** in core programming courses and completed a group project that developed a mobile application, enhancing my teamwork and technical skills in a real-world setting.

SKILLS

- Java
- Python
- HTML/CSS
- C++
- Problem Solving
- Data Analysis
- Communication
